PROPERTY DESCRIPTION

Luxury living in TPC's Wakefield Plantation. Brazilian cherry hardwood floors, architectural arches and 10' ceilings welcome you into this light filled home. There are lots of custom upgrades like rounded corners on interior walls, wrought iron pickets on the stairs, elegant chair & crown moldings, and art niches over the fireplace and in the stairway landing. The family room features a corner fireplace with gas logs and surround sound speakers. There are granite countertops, stainless steel appliances, a gas range, and raised panel cherry cabinets with a wine rack in the kitchen. The bathrooms have tile floors, double vanities and cherry cabinets. The master suite is bright and spacious, and the secondary bedrooms are large with lots of closet space. All the bedrooms have vaulted ceilings which adds to the light, open feel. There is even additional storage in the 2 car garage and a partially floored attic. This home is virtually maintenance free with a brick front and vinyl siding. Landscaping, sprinkler systems in both the front and back yard, and year round lawn service are all included in the monthly HOA fee. Conveniently located near I-540 and lots of shopping, including the Triangle Town Center, with excellent neighborhood schools.
