PROPERTY DESCRIPTION

This 5 bedroom home has a stately setting on a 1.85 acre corner lot in Sheffield Manor, one of the most prestigious neighborhoods in North Raleigh. When you first enter the home, the entry soars three stories tall with its stylish staircase that is lit by two stories of windows. Entertain formally with the large living room and formal dining room, with its wainscot and detailed ceiling. The family room is spacious, with a friendly fireplace for family gatherings and a full wood wainscot. The bright kitchen is a gourmet's dream, with ample storage, spacious counter tops and a large island perfect for rolling out holiday cookies. The breakfast room is sunny from its wall of windows looking over your private wooded back yard. Guests will enjoy a complete suite with its own bath on the first floor. You can telecommute from the den on the first floor, and have an informal computer room in the second floor office. The grand master suite has a deep tray ceiling and a glamour bath that feels even more spacious from its tall vaulted ceiling. All of the bedrooms are large, with abundant closet space, and each bedroom has direct access to a bathroom. The bonus room is huge, able to fit all the toys or a fine home theater, with back stairs to the kitchen. The covered back deck is the perfect place for a barbecue, with its secluded setting on your large lot. Don't forget the walk up storage that covers the entire attic!
